Seriously compliant payroll

PayHero stores annual leave in weeks and reviews recent work patterns when your employees take leave to ensure you're fully compliant with the New Zealand Holidays Act.

Pay your staff quickly and accurately

Easy to use online payroll that calculates employee pay, taxes & deductions, and keeps track of employee leave.

Employee self service

Less admin for everyone. Your staff can use the mobile app to view payslips and submit timesheets, expenses and leave requests.

Leave management made easy

All the info you and your employees need to request and approve leave. A calendar view makes it easy to see who's away when.

All the tools you need to fly through payday

Supercharge your payroll with zero touch payday filing, integrated expenses, automated public holiday calculations, employment documents & more.
